**REFLECTION**

In today's readings, we discover that material wealth alone does not keep us from discipleship. We will see that there are other gifts more important than material wealth, but even so, it is how we use our gifts that matters most.

Today's scriptures point to the value of the gifts of wisdom, trusting in God, and letting our actions reflect the love of God from within. It is not gold that causes us to fall, but rather the desire for gold above all other things. From the readings in Wisdom and Hebrews, we find the source of God's gifts in our lives. Wisdom is more valuable than worldly possessions. In Hebrews, we are challenged to look at our own values and admit honestly what controls our lives.

**ARCHDIOCESE**

The month of October is a good time to commit to praying the Rosary every day. The Rosary will bring great peace and holiness to your life. It is a powerful instrument for conversion. The Rosary is the best method of honouring Mary. It protects the Church from false teachings and keeps her safe from the attacks from the Enemy.

There are some great ways to celebrate the month of the Holy Rosary...

- Pray the Rosary everyday this month. Pray it especially for priests, who are in need of your constant prayers.

Rosary's are available by our Lady's statue and are free of charge.
